

Medicare Supplement Insurance 6

Standardized policy benefits (A-N) – all Medicare supplements issued on or after June 1, 2010 in Florida must meet the following standards:

- Medicare supplements must be guaranteed renewable
- Claims and benefits for losses resulting from sickness must not be paid on a different basis than claims and benefits for losses resulting from accidents
- Medicare supplement policies must not terminate coverage of a spouse solely because of the occurrence of an event specified for termination of coverage of the insured, except for nonpayment of premium
- A Medicare supplement policy in existence before January 1, 2006 that has coverage for outpatient prescription drugs may be renewed for current policyholders who do not enroll in Part D
- Medicare supplement policies with benefits for outpatient prescription drugs may not be issued after December 31, 2005
